Whatever the weather, relax in Sparwood's Family Leisure Centre. Swim in the pool, play racquetball, squash & wallyball, workout in the fitness centre or just relax in the sauna. Kids and adults can play for free at the water spraypark or the skateboard park.

Sparwood has a challenging 9-hole golf course, located just behind the campground, access by golf cart or hiking/biking trails from the campground or by vehicle off Hwy #3. After your round of golf, enjoy the best patio in the Elk Valley at their licensed restaurant.

We also have fishing, hiking, mine tours, canoeing, kayaking, hunting, wildlife viewing, and, directly behind the campground, an extensive mountain bike network. For more information, visit our website or email us at: info@mountainshadows.ca
